GALA introduces a new 33.3x100 format to the HARMONY range on a 7.5mm-thick tile body. It also takes advantage of a new decorative technique that allows for the creation of endless different bas-relief patterns, conceived to contrast with the surface finish.

GALA comes in a silky matt surface finish, with geometrical bas-relief patterns in a distinctive glossy shine. GALA's trend-setting choice of colours can easily be matched with other collections by HARMONY.

Con la colección GALA incorporamos un nuevo formato a la marca, 33,3x100 cm con un espesor de solo 7,5 mm. Además, implementamos una innovadora técnica de aplicación de esmalte. Que permite crear infinidad de patrones de bajo relieve generando un diseño de contraste con el acabado superficial.

El acabado de GALA combina la textura mate sedosa superficial con el patrón geométrico en bajo relieve de acabado brillo, que realza el diseño de la pieza. Destaca su paleta de color en tendencia que complementa el resto de colecciones de la marca.
