THE WILD SPIRIT

UNITED STATES OF CAVALLI

The “United States of Cavalli” flag - universal symbol of a new cultural and aesthetic synonymous with differences, inclusiveness, freedom, pride, beauty and wild passion. Like an heraldry pop icon.

THE WILD SPIRIT, in fact, is meant to be a wild urban celebration of maximum freedom of expression, as the installation “United States of Cavalli” concept created by the designer Fausto Puglisi represents, and whose flag is a take on that of the US, in which the stars are replaced by jaguar spots and the stripes by a zebra pattern in sepia tones.

La bandiera “Stati Uniti di Cavalli” - simbolo universale di una nuova estetica fatta di diversità, inclusività, libertà, fierezza, bellezza e passione selvaggia. Come un’icona araldica popolare.

THE WILD SPIRIT vuole essere in effetti una selvaggia celebrazione urbana della massima libertà di espressione, come l’idea del montaggio “Stati Uniti di Cavalli” ideato dallo stilista Fausto Puglisi rappresenta, con la bandiera che diventa una versione di quella degli Stati Uniti d’America in cui le stelle sono sostituite da macchie di giaguaro e le strisce da un manto zebrato nei toni del seppia.

THE WILD SPIRIT

The preciousness of the materials, the richness of the workmanship, the accuracy of the details find their own synthesis of luxury and elegance in the Royal wall paneling decoration, made in gold on a Calacatta marble-effect background, which becomes a stylistic feature of the bewitching and inimitable distinctiveness of Roberto Cavalli Home Luxury Tiles.

La preziosità dei materiali, la ricchezza delle lavorazioni, l'accuratezza dei particolari trovano la propria sintesi di lusso ed eleganza nel decoro a boiserie Royal, realizzato in oro su fondo effetto marmo Calacatta, che diventa uno stilema della distintività ammaliante e inimitabile di Roberto Cavalli Home Luxury Tiles.

The Wild Spirit is the new lifestyle ceramic project by Roberto Cavalli Home Luxury Tiles.

A mix of combining elements with a composite and eclectic soul that blends Roberto Cavalli DNA's typical energetic sensuality with the luxury of sophisticated and sought-after essences, and with Italian excellence.

Final result is a unique, eccentric, exuberant and strongly urban influenced collection made by iconic pieces that match together for creating unconventional and exclusive ambiances.

The Wild Spirit è il nuovo progetto di lifestyle ceramico di Roberto Cavalli Home Luxury Tiles.

Un mix di elementi dallo spirito composito ed eclettico che si combinano mescolando la sensualità energetica tipica del DNA Roberto Cavalli con il lusso di essenze sofisticate e ricercate, e con l'eccellenza italiana.

Il risultato finale è una collezione unica, eccentrica, esuberante e dalla forte influenza urbana composta da pezzi iconici che si abbinano insieme per creare ambienti esclusivi e non convenzionali.

UNCONVENTIONAL LUXURY

“Animal prints, neutral and black hues, no primary colors”. (Fausto Puglisi)

An inexorable passion for the wildest forms of nature, associated with an unprecedented and emphatically rebellious rock spirit, defines the expressive codes of the brand new ceramic interior collection by Roberto Cavalli Home Luxury Tiles: **THE WILD SPIRIT**.

This very first totally Cavalli’s lifestyle project enhances the bold and impacting style of the artistic line adopted for the Collection Zero of the maison by Fausto Puglisi, the fashion house’s creative consultant and head of global design.

“Stampe animalier, nuance neutre e nero, nessun colore primario”. (Fausto Puglisi)

L’inesauribile passione per la natura più selvaggia, associata ad un inedito e marcato spirito rock ribelle, definisce i codici espressivi della nuova collezione ceramica di interior firmata **Roberto Cavalli** Home Luxury Tiles: **THE WILD SPIRIT**.

Questo primissimo progetto di vero e proprio Cavalli lifestyle abbraccia lo stile audace e graffiante della linea creativa adottata per la **Collezione Zero** della maison da **Fausto Puglisi**, consulente creativo e responsabile della visione globale del design della casa di moda.

The glam brand heritage is reinterpreted by animalier prints in natural and soft earth tones, teamed up with the precious, vibrant and artisanal accents of different materials' effects like rare marble, fine metal and Shou Sugi Ban burnt wood made in porcelain stoneware.

L'eredità glamour del brand viene reinterpretata attraverso l'uso di stampe animalier in toni naturali e morbidi della terra, abbinato agli accenti preziosi, vibranti e ricercati di diversi effetti materici come marmi rari, metalli pregiati e legno bruciato Shou Sugi Ban riprodotti in gres porcellanato.

ELEGANT AUDACITY

A “light” version of THE WILD SPIRIT that emphasises its ever-original elegance, between patterns that fade into the neutral colours of ivory and beige, enhancing the naturalness of the whole in combination with an even more sophisticated luxury, if possible, without however losing that uniqueness and aesthetic strength, virtuously outrageous, intelligently cheeky, that has always distinguished the brand.

Una versione “light” di THE WILD SPIRIT che ne enfatizza l’eleganza sempre originale, tra motivi che sfumano nei cromatismi neutri dell’avorio e del beige accrescendo la naturalità dell’insieme in abbinamento a un lusso se possibile ancora più sofisticato, senza perdere però quell’unicità e quella forza estetica, virtuosamente oltraggiosa, intelligentemente sfrontata, che da sempre contraddistingue il marchio.

The Clay - Dark and Light material is inspired by the ancient Japanese technique of kintsugi, but stylistically modernised according to an interpretation devised by our Creative Team and obtained by adopting the most advanced 3-D digital printing ceramic technology developed and perfected by our R&D Lab. An earth effect with a soft appearance, warm colours and a tactile surface on which a cast of precious metal melted with glassy opalescence seems to flow, creating sinuous shapes and patterns that radiate on the floor and walls of trendy interior design, in an apparently random way.

Ispirata all'antica tecnica giapponese del kintsugi, ma stilisticamente modernizzata secondo un'interpretazione ideata dal nostro Creative Team ed ottenuta con l'adozione della tecnologia ceramica più evoluta di stampa digitale tridimensionale sviluppata e messa a punto dal nostro R&D Lab, nasce la materia Clay - Dark e Light. Un effetto terra dall'aspetto morbido, dai colori caldi e dalla superficie tattile sulla quale sembra scorrere una colata di metallo prezioso fuso con opalescenza vitrea che, in modo apparentemente casuale, crea forme e disegni sinuosi che si irradiano a pavimento e parete di interni dal design di tendenza.

The urban, "dirty", rock and rebel soul of the first lifestyle project signed Roberto Cavalli Home Luxury Tiles, THE WILD SPIRIT, developed on the creative line of the maison now designed by stylist Fausto Puglisi, is made even more seductive by the new light and bright tones designed to visually soften the iconic animal prints Freedom, Queen of Florida and Queen of Sicily.

L'anima urbana, "sporca", rock e ribelle del primo progetto di lifestyle firmato Roberto Cavalli Home Luxury Tiles, THE WILD SPIRIT, sviluppato sulla linea creativa della maison oggi curata dallo stilista Fausto Puglisi, viene resa ancora più diversamente seducente dai nuovi toni chiari e luminosi studiati per ammorbidire visivamente le iconiche stampe animalier Freedom, Queen of Florida e Queen of Sicily.

Daring through pure pop provocation, in full Cavalli style yet revised in a contemporary and profoundly glam key, through the three animal proposals Beige, Pastel and Yellow of the Pop Animalier capsule collection.

Handcrafted details and precious material accents that are enriched with the inclusion in the range of the burnt wood effect Shou Sugi Ban in the white version, which joins the already existing Dark and Noir versions, also in the large 26.5x180 size, in the Queen of Kenya decoration and in the Roberto Cavalli matching monogram.

Osare attraverso una pura provocazione pop, in pieno stile Cavalli ma rivisto in chiave contemporanea e profondamente glam, attraverso le tre proposte di animalier Beige, Pastel e Yellow della capsule collection Pop Animalier.

Dettagli artigianali ed accenti materici preziosi che si arricchiscono con l'inserimento in gamma dell'effetto legno bruciato Shou Sugi Ban in versione bianca, che va ad affiancare quelle già esistenti Dark e Noir, anche nel grande formato 26,5x180, nella decorazione Queen of Kenya e nel monogram Roberto Cavalli a corredo.

SYMBOLS

Simbologia

E4W Extreme White
A deep, intense white for high contrast thin grains or whole slabs with shining whiteness

Un bianco pieno e intenso, per sottili venature a forte contrasto o per intere lastre di un candore abbagliante

G+S Shining Gloss
New-generation transparent digital application which gives the surface a more or less glossy appearance, perfectly controlling the intensity and design, to create grain effects, geometric patterns or large background colors

Applicazione digitale trasparente di nuova generazione che conferisce alla superficie un aspetto più o meno lucido, controllando perfettamente intensità e disegno, per realizzare effetti di venature, pattern geometrici o campiture estese

T2D
Creation of three-dimensional textures obtained by fixing special textured granules to the surface on a digital coating of transparent fixative. Textures that are easily perceptible to the touch, extremely pleasant and life-like.

Creazione di rilievi tridimensionali ottenuti fissando speciali graniglie materiche alla superficie in seguito ad un passaggio di aggrappante trasparente dato in digitale. Texture tangibilmente percettibili al tatto, estremamente gradevoli e verosimili.

Thickness
Spessore

Deep abrasion resistance
Resistenza all'abrasione profonda

Frost proof
Resistenza al gelo

V2: clearly distinguishable differences in texture and pattern within the same production run
